

Welcome Home to this beautifully renovated two bedroom apartment. This top floor, ultra bright unit with superior and ultra modern finishes, will provide you with all the comforts and necessities of a fantastic home. Updated appliances, stylish surroundings, fine finishes and a well thought out layout with bedrooms on opposite ends of the unit, can accommodate roommates or provide that extra space that everyone needs these days for a home office. Located three short street blocks to the subway, by the Steinway stop on the M & R subway line, you will find yourself surrounded with any and every social & cultural outlet you could imagine. Choices upon choices of global cuisines, the largest art and film district (Kaufman Studios), retail shopping and so much more all right around the corner of your quiet and tree lines street. 2 Bedrooms Renovated throughout Dishwasher Furniture can stay !! Available to show anytime!
